OUR STORY

Our mission is to distill with a commitment to local agriculture & Oregon's bold independent personality. To bring quality, premium spirit brands which are unique, interesting & outstanding in their class to the world market.

Oregon Spirit Distillers, founded in 2009, was born out of Brad's desire & passion for distilling, his interest in different styles of whiskey & what made each of them different.

With one of the largest barrel inventories in the state of Oregon, we are known for award-winning whiskey that is made from local & regionally sourced grain & Cascadian pure water. As we continue to grow outside the state of Oregon, we are committed to Oregon agriculture & Oregon spirit. From hands-on production methods to on-site distillation, aging & beautiful packaging, we stand behind our family of craft spirits 100%.
