ABOUT OREGON SPIRIT DISTILLERS

Oregon Spirit Distillers was established in 2009 by Brad and Kathy Irwin. The company remains a family-owned business and was the first distillery in Central Oregon to operate a still.

We cultivate vital relationships with local farmers to grow our grains and celebrate the land we have loved for generations. Our expert distillers strive to bring premium spirits that reflect Oregon's bold and independent personality to the national market.

OUR VISION

Our vision is to love creating and sharing spirits, to embrace traditional distilling practices and the historic values surrounding those traditions in such a way that it permeates not only our products, but the very ethos of our distillery.
